

Regional Coroner Training Events 2023

Save the Date:

Throughout 2023, Alabama Coroner's Association and Legacy of Hope will collaborate to provide training to Alabama Coroners and Deputy Coroners at six (6) training events across Alabama. The chosen curriculum is designed for new and experienced Coroners or Deputy Coroners and will provide attendees with valuable information from practitioners working in the field. As always there is no cost associated with the training and breakfast, lunch, & refreshments will be provided.
