

Save the Date:

Throughout 2023, Legacy of Hope and the Alabama Coroner's Association have collaborated to provide training to Alabama Coroners, Deputy Coroners, and those in the funeral industry at six (6) training events across Alabama. The two final training events are scheduled and the locations are set. Please take a moment and consider attending one of these remaining events.

As always there is no cost associated with the training and breakfast & lunch will be provided.
